

MNE SPEEDO SPRINT 13U MEET

SYDNEY OLYMPIC PARK AQUATIC CENTRE
4 FEBRUARY 2023

MEET PROGRAM

MEET PROCEDURES

Check your name against event/s in the Program. If incorrect immediately see the Clerk of Course (Marshalls). All heats in all events will be swum from fastest to slowest, meaning the fastest swimmers will be in the first heat and the slowest swimmers in the last heat etc.

MARSHALLING PROCEDURES

Any swimmer who fails to report to the Clerk of Course or Check Starters at least five (5) minutes prior to the event in which they are entered shall be deemed to be withdrawn. It is permissible for a swimmer's representative to report to the Clerk of Course on their behalf. Where a swimmer has difficulty in reporting to the Check starters by the required time, it is recommended that their representative report to the Clerk of Course on their behalf prior to the event closing. Once reported, a swimmer is not permitted to leave the Checkstarting area unless approval is first obtained from the Check starter. All heats shall be deemed to be one event for the purpose of this rule.

Coaches or parents are not permitted to be in the Marshalling Area. Refer Swimming New South Wales Ltd. Swimming Rule SW10.16.

In the event of there being sufficient withdrawals from the heats of an event, which would enable the number of heats to be reduced, the Referee may at their discretion either amalgamate heats by filling vacant lanes in a heat or heats with those swimmers whose heat has been cancelled, or reseed the whole event.

MEDICAL ISSUES

By entering this event, competitors (or legal guardian) are declaring that they are fit to compete. In the event that an entrant experiences a medical issue whilst competing at, or during a SMNE Meet, the entrant will be required to provide a medical clearance from a health care professional before being allowed to resume competition at that Meet. The Technical Manager will have the sole authority to adjudicate on this rule. Please refer to SNSW Rule GR 3.3.

COMPETITION RIBBONS

To avoid congestion at the end of the Meet swimmers entitled to a ribbon MUST collect any ribbons earned in a session prior to the commencement of the next session.

E.g. Ribbons earned in session one (1) MUST be collected prior to the start of session two (2). Failure to do so may result in the forfeiture of the ribbon.

CONDITIONS OF ENTRY

It is a condition of entry to all Swimming Metro North East conducted meets that a parent/guardian timekeeps, officiates, or assists as required to help run the meet.

All entrants in a SMNE Meet shall abide by and be subject to the Swimming New South Wales General Rules, Swimming Rules, Open Water Swimming Rules, By-Laws, Policies, and published procedures in accordance with General Rule GR3.2

MULTICLASS SWIMMERS

Please note that MC swimmers MUST show their Classification Card to the Referee prior to the first session in which they will be competing. This only needs to be done once during the Meet.

This is especially necessary for those athletes competing in able-bodied events where failure to report to the Referee may result in the competitor being disqualified if no exceptions have been reported.

STARTING INSTRUCTIONS

Assisted Self-marshalling will be employed at this meet.

1. When the swimmers have been placed behind the starting platforms, the Announcer will announce the Event and Heat number, e.g. Event 4 Heat 3.

2. On the long whistle from the Referee, the swimmers shall step onto the starting platform and remain there. For Backstroke and Medley Relay events they shall immediately enter the water and a second long whistle shall bring them back to the starting position.

3. On the command "Take your marks", the swimmers will immediately take up their starting positions with at least one foot at the front of the starting platform, or in the case of a Backstroke or Medley Relay event, their starting position in the water and remain stationary.

4. When all swimmers are stationary the Starter shall give the starting signal.

5. Any swimmer starting before the starting signal has been given, shall be disqualified. If the starting signal sounds before the disqualification is declared, the race shall continue and the swimmer or swimmers shall be disqualified upon completion of the race. If the disqualification is declared before the starting signal, the signal shall not be given, but the remaining swimmers shall be called back and start again.

6. Swimmers must finish in the lane in which they start, and will remain in the water in their lanes at the finish of the event. On the signal from the Referee swimmers are to leave the water by the side of the pool.

7. In an Individual Medley event, the sequence of strokes is Butterfly, Backstroke, Breaststroke, Freestyle. In a Medley Relay event, the sequence of stroke is Backstroke, Breaststroke, Butterfly, Freestyle.

NOTE: "Starting over the top" is used at all SMNE meets. At the Start of each race, swimmers from the preceding heat are to move to the side of the lane, against the finishing wall, and remain still. Where the next race will be backstroke, the swimmers are to move down the lane rope towards the backstroke flags and remain still. When the next heat has started they should leave the pool by the sides as quickly as possible.
